February 2008

Dear Resident,

We are considering the possibility of providing additional sporting facilities in Northleach in the form of an outdoor all weather multi-use games area. This would be floodlit and so capable of use all year round. It could accommodate a variety of sports, such as five aside football, netball, hockey and tennis and would be available for informal recreational use and local clubs. An example of such a facility is available to view on the town website at www.northleach.gov.uk

Two sites that are currently under consideration are: The Westwoods Centre, and the King George V playing field. Any other suggestions are welcome.

In order to assess the need for such a facility and to gauge potential demand, we are carrying out a survey of each household in Northleach and the surrounding area and of organisations who might also be interested in using it.

A worthwhile project of this nature will cost in the region of £100,000 and substantial fund raising will have to be done if it appears that this is a facility that the community both needs and wants. If grant funding is to be attracted, the need and demand for such a facility must be clearly shown and this questionnaire is a vital part of that process.

It will only take a minute or two to complete your questionnaire which will be collected within the next 10 days. If, however, we miss you, please call 01451 861499 to arrange a more convenient time for our collector to call on you.

If you have any questions, please do contact us.

Regards,

Chris Hancock
