

# Your Town Needs You!

Cotswold District Council requires 130 new houses to be built in Northleach. They have identified potential housing sites as shown below in yellow.

Where should we build? What should we protect? What should the houses look like? When should they be built? Can our school, roads, local business, parking, and drainage cope with 280 more residents and 240 more cars?

**You have the power to decide!**

A Neighbourhood Development Plan is being prepared on behalf of our 2000 residents by the Town Council. If you approve it, it will give us all control over what is developed, where and when.

Give us your views

**Wednesday 20th November at 8.00pm at the Westwoods Centre.**

This is your opportunity to decide what happens in our Town over the next 20 years. But we will only be able to control our destiny if there is strong community support. Without your support, it will be property developers who decide what our Town will look like in the very near future!
