# Northleach KGV Play Area Improvements – Have Your Say

The play equipment on the KGV Playing Field has recently been repaired but it is quite old now and it probably needs to be replaced. Northleach with Eastington Town Council has formed a project group to consider what improvements to make. The aim of this survey is to find out what sort of activities young people in Northleach like to undertake in a playground setting. Please return your completed survey to the collection box at the Westwoods Centre or the school office. Thank you for helping us.

**PLEASE COMPLETE ONE SHEET PER CHILD**

**Age of child or young person (tick one)**

| 1-3 | 4-7 | 8-10 | 11-16 |
|---|---|---|---|
