The poster features a central image of a soldier's face in profile, looking forward. The face is rendered in a dark, almost black tone, with a golden-yellow glow highlighting the eyes and the texture of the uniform. Overlaid on the face and the background are numerous names of soldiers in a typewriter-style font, some in white and some in gold. The names are arranged in a way that they appear to be part of the soldier's identity. The overall color palette is dark, with gold and white accents.
