PRESS AND MEDIA POLICY

Northleach with Eastington Town Council recognises the role of its relationship with the local community in influencing the work and decisions it takes. Effective media relations are an important factor in establishing a good relationship between the Town Council and the community. This policy sets out the framework for Town Council members and employees to follow, when in contact with the media, to inform the public about the Town Council's activities, decisions and the services it provides.

The term "Media" encompasses many different means of communicating a message to a wide audience and includes radio, television, social media, the internet and a wide range of printed media such as newspapers, leaflets, posters and the Parish Magazine.

Contact with the Media

1. The general principle is that the Clerk shall act as the Press Office for the Town Council. Any official contact with the media concerning the Town Council's policies, decisions and services should be initiated through the Clerk. The Clerk will clear all press reports or comments to the media with the Chairman of the Town Council.
2. Press releases and statements will be prepared by the Clerk and / or Chairman, in association with other Members as required, and will be informally restricted to matters that have been debated and agreed by the Town Council.
3. If a Member or employee receives an approach or enquiry from the media about any matter relating to the Town Council, it should be referred to the Clerk. A decision will then be made by the Clerk and / or Chairman, in consultation with other Members as necessary, about the format and content of any response.
4. Unless a Councillor has been authorised by the Town Council to speak to the media on a particular issue, if comments are made to the Press, Councillors must make it clear that it is a personal view and ask that it is clearly reported as such.
5. Any Member taking part in a radio or television broadcast should only do so on behalf of the Town Council with the approval of the Clerk and / or Chairman, in consultation with other Members where necessary. Ideally arrangements should be made for the broadcast to be recorded and retained for reference. Alternatively, a note of the broadcast's content should be made and sent to the Clerk.
6. Members of the Town Council who identify a media opportunity should refer to the Clerk and Chairman so as to ensure accuracy and consistency in any subsequent press release or contact with the media.
7. Members of the Town Council are not prevented from expressing a personal opinion through the media (e.g. by writing to a newspaper or posting an opinion on an internet site) as an individual councillor and must state this if commenting in that way. Members should take care not to misrepresent and / or bring the Town Council into disrepute and must bear in mind their responsibilities under the Code of Conduct.
