

Northleach with Eastington Town Council is looking for a handyman - or woman - to carry out occasional outdoor maintenance jobs around the town.

The work could include a variety of tasks such as:

- Installing benches, litter bins and similar
- Erecting signs e.g. installing posts in the ground, and securing signs with brackets, bolts or screws
- Repairing gates, fences, benches, noticeboards
- Maintaining wooden bus shelters, e.g. cleaning graffiti, applying woodwork treatments.
- Replacing outdoor lightbulbs (working at height)
- Minor repairs or adjustments to playground equipment
- General maintenance, e.g. strimming, cutting back vegetation

The chosen contractor will be self-employed on an agreed hourly rate (to be negotiated) and have the necessary equipment, insurance, and own transport. The ideal person will already run their own business and have a broad range of practical skills and experience of general maintenance outdoors.

If you live in Northleach and care about the town then we'd love to hear from you.

To apply, please send a covering letter and resume to the Clerk.

Email: clerk@northleach.gov.uk
