

TRADERS WANTED – HELP REVIVE OUR HISTORIC MARKET

We're bringing a traditional Charter Market back to Northleach and we're looking for traders to join us from the very beginning. This will be a simple, trader-friendly market with low-overheads. We provide the space, you bring your stall, equipment and stock.

Whether you sell produce, street food, crafts, gifts, vintage, plants, or something unique, we'd love to hear from you.

How it will work:

-  Outdoor market pitches in a historic town centre setting.
-  Traders must be fully self-contained (no power or services provided)
-  Flexible bookings, no long-term commitment required.

We're currently gathering expressions of interest.

We'd like to know:

-  What you sell
-  Your stall setup and space needed
-  Your preferred trading pattern: whether weekly, fortnightly, monthly or seasonal.

FOUNDING TRADER OFFER

Traders who join us from the start will benefit from discounted pitches.

Register your interest now. Contact markets@northleach.gov.uk.
