Our reference: 70021846

Date: 5th October2026

Dear Sir, Madam

What: **Road and Footway Closure for Footway Resurfacing**

Where: **Fortey Road Northleach –** See overleaf for Map

When: **30th November – 24th December 2026 working hours 08:00 16:00**

On behalf of Gloucestershire County Council, we will soon commence footway resurfacing at the specified location. The works will be conducted at multiple points along the stretch of the footway highlighted in red on the map provided.

We kindly request that residents ensure that any vegetation, hedges, shrubs or trees bordering the footway are cut back so they do not overhang or obstruct the pavement. This will help us to carry out the work safely and maintain clear access for pedestrians once the footway works are completed.

Hedge letters should have already been issued to affected properties prior to these works. However, if you have not received this correspondence then please treat this letter as formal notice requesting that any overhanging vegetation is cut back accordingly.

It is anticipated that certain sections of the footway will need to be closed intermittently during the resurfacing process. Every effort will be made to ensure pedestrian access to and from properties is maintained, with appropriate pedestrian diversions implemented as required. These works involve the resurfacing of the entire length of the footways,

Upon commencement of the works, you will have the opportunity to communicate directly with the construction team, who will provide updates on progress to minimise any disruptions.

Please note that parking on the road adjacent to this section of the footway, as indicated in red on the map, will be prohibited during working hours. Off-road parking will remain unaffected; however, access may be temporarily obstructed when work is being carried out directly outside your property.

We appreciate your patience and cooperation in this matter. Should you have any questions, please do not hesitate to contact us at highwaysstakeholder@gloucestershire.gov.uk.
